EDWARD HOSPITAL

Beginning Spring 2026 through Fall 2026

Application deadline:

August 22, 2025, at 3 p.m.

Classes, Clinicals, and Internship run January 2026 through December 2026

PLEASE MAINTAIN A PERSONAL COPY OF THIS PACKET FOR FUTURE REFERENCE

Note: Students are not accepted into this program until they have received an official acceptance letter from Edward Hospital EMSS. Completion of Health Requirements, CPR completion, criminal background checks, and proof of insurance is an independent activity to prepare for entrance into health programs at College of DuPage and/or participation in clinical sites within health programs. Funds paid to Edward Corporate Health or to a personal health care provider/source, CastleBranch.com, insurance companies, and funds used towards CPR completion are not eligible for any sort of refund from College of DuPage if the required course is not successfully completed.

PROGRAM OVERVIEW

College of DuPage (COD) offers Paramedic training through Central DuPage Hospital, Edward Hospital, Good Samaritan Hospital and Loyola University Medical Center Emergency Medical Services System (EMSS). These Paramedic training programs are currently utilizing the U.S. Department of Transportation's National Education Standards and are approved to offer Paramedic training by the Illinois Department of Public Health (IDPH).

The hospitals have been designated as Emergency Medical Services System resource hospitals by the State of Illinois. This designation specifies certain responsibilities in the delivery of pre-hospital care. Among these are the training and education of Paramedic personnel. Edward Hospital's Paramedic program starts in January of each year and is one year in length. Registration is through College of DuPage with classes and clinical rotations held at the hospital.

PROGRAM INFORMATION DISCLAIMER

This program information packet is published for that purpose; however, the information in this packet is not to be regarded as an irrevocable contract between the student and the program. The program reserves the right to change, at any time, without notice, requirements, fees and other charges, curriculum, course structure and content, and other such matters as may be within its control, notwithstanding any information set forth in the program information packet in accordance with the COD policies and procedures.

PROGRAM & COURSE DESCRIPTION

The Paramedic Certificate Program is composed of three courses. The [certificate requirements](#) and [course descriptions](#) for the Paramedic program can be found in the Course Catalog under the Fire Science discipline.

ATTENDANCE

Class attendance is **mandatory**. Students are expected to arrive at class on time and not leave early. Unexpected or unforeseen circumstances can be discussed with the Program Director. Students who know in advance that they are going to be late or miss classes must notify their instructor. Paramedic program students can miss only a certain number of classes to still be eligible to sit for certification exams. Students must also maintain a minimum of 80% on each exam, practical, and clinical rotation to remain in the Paramedic program.

TEXTBOOKS

Books will be discussed at orientation. Students will be required to purchase books prior to the first day of class. In addition to the textbook, there will be several online learning tools utilized both in the classroom and independently. In the best interest of the student, the recommendation is for each student to have the ability to bring their own computer, laptop, or tablet with wireless capabilities into the classroom.

UNIFORM POLICY

Edward Hospital Paramedic Program requires the student to wear a paramedic program uniform and will discuss the uniform policy at orientation.

TUITION/FEES/FINANCIAL AID

The paramedic program consists of 36 semester hours of college credit at the [prevailing tuition rate](#). In addition to the tuition, there will be a non-refundable lab fee payable to Edward Hospital. This will be discussed at orientation. College of DuPage payment policy states payment will be due immediately following registration. If you are unable to pay the amount in full, you must sign up for the payment plan offered by the college. If you are expecting financial aid or other assistance, you may be able to sign up for a deferred payment plan. If you have questions regarding the payment plan or the payment policy, please contact the Cashier's office at (630) 942-2206. The College of DuPage reserves the right to drop students for non-payment of tuition.

Financial Aid is available to any eligible student enrolled in the college for six or more eligible credits. Grants, loans, on-campus employment, veteran's grants and scholarships are aid options available to help students meet their education expenses. If you are planning on applying for financial aid and have not already done so, please

[visit our website](#) or contact the Financial Aid office at (630) 942-2251. It can take 6-8 weeks for processing, so if you have not already completed your [FASFA Form](#) you may need to sign up for the standard payment plan and be reimbursed once your financial aid is processed.

If you are a veteran and are planning to use veteran's benefits, please [visit our website](#) and [the United States Department of Veteran's Affairs](#)

If a company will be paying for your tuition, please [download our Company Sponsored/Third Party Billing Form](#) To speak with a registration representative, please call (630) 942-2377.

Students enrolled in the Paramedic program needing to verify full-time status (medical or insurance) are considered full time students. To receive a letter stating full-time status, visit the Records office (SRC 2015). A request form needs to be completed. There is a \$5 processing fee for this request, payable by cash or check. This request takes five to 10 days to process. For additional questions, call (630) 942-2431 or (630) 942-3022.

NON-DISCRIMINATION STATEMENT

The College prohibits discrimination in its admissions, employment, and educational programs or activities on the basis of race, color, sex, religion, creed, national origin, age, ancestry, marital status, sexual orientation, gender identity and expression, arrest record, military status or unfavorable military discharge, citizenship status, and physical or mental disability. The College will protect an individual's right to express their viewpoint or opinion, so long as it does not violate State or Federal law and is not detrimental to the College.

This Policy against discrimination applies throughout all College environments, whether on campus, at work assignments off campus, at College-sponsored social functions, or otherwise.

Procedures to facilitate the College's prohibition of discrimination will be promulgated consistent with the Policy. (Board Policy 20-5).

STUDENT E-MAIL POLICY

College of DuPage will send all official communications to you through your official COD email (dupage.edu). You will no longer be able to use a preferred email account. You do have the option to forward these communications to a personal email account if you wish.

Check out your COD email to get the message about:

- Official COD communications
- Financial aid communications
- Petition to graduate
- Transfer credit evaluation
- Prerequisite proof Sensitive
- FERPA-related communications

Please see College of DuPage [Student Email Policy](#) for further details.

PROGRAM PREREQUISITES

Required: Illinois licensed Emergency Medical Technician (EMT) and acceptance into the paramedic program. FIRE 2271 with a grade of B or better or equivalent. **Strongly Preferred/Not Required:** ANAT 1500 with a grade of C or better or equivalent, HLTHS 1110 with a grade of C or better, or equivalent and ENGLI 1101 with a grade of C or better, or equivalent or consent of instructor.(see statement on page #9).

CRIMINAL BACKGROUND CHECK INFORMATION

All health care workers and student health care workers are required to undergo a criminal background check in order to work in a clinical setting. A student with a positive background check containing disqualifying conditions as defined by Federal and State law will not be allowed to enter the clinical portion of the program. A student with a positive background check containing disqualifying conditions as defined by Illinois State Law ([225ILCS46/25](#)) and 77 Ill Adm. Code 955 Section [955.160](#) will not be allowed to enter the clinical portion of this program, thus preventing the student from obtaining mandated certification and/or licensure.

NOTE: You may have been convicted and not sent to jail. People are often fined or given probation or conditional discharge rather than jail time, but these are still considered convictions. If you are unsure as to whether an arrest resulted in a conviction, contact the county in which you were arrested and speak to a representative in the Circuit Clerk's office, State's Attorney's office or your attorney.

Criminal background checks only need to be completed once accepted into the Paramedic program.

MISCELLANEOUS INFORMATION

For additional information about any programs at COD, consult the college *Catalog*, the *Class Schedule*, or visit www.cod.edu. For questions specifically concerning the [Paramedic Program](#), contact the Fire Science Program Manager Brian Baudek at (630) 942-2107 or baudekb@cod.edu

POLICY FOR PROFESSIONAL CONDUCT AT CLINICAL SITES

Please visit the [EMS/Fire Science Health Requirements webpage](#) for the Policy for Professional Conduct.

REQUIREMENTS

Once accepted into the Paramedic program, the student will be required to meet the health requirements (including mandatory immunizations) of the program prior to the first day of class. Flu immunization will be required in the fall when it becomes available. Failure or inability to follow health requirement procedures will disqualify the student from participation in the program. **Details to follow once you are accepted. Please do not complete these requirements until instructed to do so.** Students are responsible for all costs involved. Health insurance is required during the program and may be available through the college.

ACCREDITATION

FUNCTIONAL JOB DESCRIPTION – PARAMEDIC

Qualifications

To qualify for EMS certification or licensure an individual must successfully complete a State approved course and achieve competency in each of the psychomotor skills. In addition, the individual must achieve a passing score on the National Registry of EMT's (NREMT) licensure examination.

EMS personnel must be at least 18 years of age. Generally, the knowledge and skills required show the need for a high school education or equivalent. EMS personnel must have ability to:

- Communicate verbally via telephone and radio equipment
- Lift, carry and balance up to 125 pounds (250 pounds with assistance)
- Interpret written, oral and diagnostic form instructions
- Use good judgment and remain calm in high-stress situations
- Work effectively in an environment with loud noises and flashing lights
- Function efficiently throughout an entire work shift
- Calculate weight and volume ratios and read small print, both under life threatening time constraints
- Read and understand English language manuals and road maps
- Accurately discern street signs and address numbers; ability to interview patient, family members and bystanders
- Document, in writing, all relevant information in prescribed format in light of legal ramifications of such
- Converse in English with coworkers and hospital staff as to status of patient

EMS personnel should possess good manual dexterity, with ability to perform all related tasks to highest quality patient care. Ability to bend, stoop and crawl on uneven terrain and ability to withstand varied environmental conditions such as extreme heat, cold and moisture is vital. The ability to work in low light, confined spaces and other dangerous environments is required.

Description of Tasks

- Receives call from dispatcher, responds appropriately to emergency calls, reads maps, may drive ambulance to emergency site, uses most expeditious route and observes traffic ordinances and regulations.
- Determines nature and extent of illness or injury, takes pulse, blood pressure, visually observes changes in skin color, auscultates breath sounds, makes determination regarding patient status, establishes priority for emergency care, renders appropriate emergency care (based on competency level); may administer intravenous drugs or fluid replacement as directed by physician.
- May use equipment (based on competency level) such as (but not limited to) defibrillator, electrocardiograph, performs endotracheal intubation to open airway and ventilate patient, inflates pneumatic anti-shock garment to improve patient's blood circulation or stabilize injuries.
- Assists in lifting, carrying, and transporting patient to ambulance and on to a medical facility.
- Reassures patients and bystanders, avoids mishandling patient and undue haste, searches for medical identification emblem to aid in care.
- Extricates patient from entrapment, assesses extent of injury, uses prescribed techniques and appliances, radios dispatcher for additional assistance or services, provides light rescue service if required, provides additional emergency care following established protocols.
- Complies with regulations in handling deceased, notifies authorities, arranges for protection of property and evidence at scene.
- Determines appropriate facility to which patient will be transported, reports nature and extent of injuries or illness to the facility, asks for direction from hospital physician or emergency department.
- Observes patient en route and administers care as directed by physician or emergency department or according to published protocol.
- Identifies diagnostic signs that require communication with facility.

- Moves the patient into the emergency facility from the ambulance. Reports verbally and in writing concerning observations about the patient, patient care at the scene and en route to facility, provides assistance to emergency staff as required.
- Maintains familiarity with all specialized equipment.
- Replaces supplies, sends used supplies for sterilization, checks all equipment for future readiness, maintains ambulance in operable condition, ensures ambulance cleanliness and orderliness of equipment and supplies, decontaminates vehicle interior, determines vehicle readiness by checking oil, gasoline, water in battery and radiator and tire pressure.

STANDARD SKILLS IN HEALTH CARE PROGRAMS

To participate in the clinical education portion of any health career programs at College of DuPage that involves direct patient care, the applicant must possess additional non-academic skills. These occupational standards are consistent with the duties of the entry-level professional in that field and are set by the individual program. These skills protect the health and well-being of patients and may include, but are not limited to, the ability to:

- Lift and carry 30 pounds of weight
- Lift and transfer patients to and from wheel chairs, stretchers, beds and tables
- Move, adjust and manipulate equipment. Manipulate necessary hospital equipment for patient care, such as dials, switches, push buttons and keyboards. Position patients for exams.
- Respond appropriately to sounds such as the patient's voice and movements at a normal conversational volume. Respond appropriately to equipment signals such as sound and light.
- Perform for a prolonged period without breaks in a typical shift of eight hours
- Communicate orally and in writing with patients, doctors and other personnel clearly and effectively
- Follow verbal and written directions

NOTES TO APPLICANTS:

Completion of the steps of the application process in an organized and complete manner is an example of one's ability to follow directions and to give attention to detail. These abilities are crucial in emergency care of the sick and injured.

In addition, the application process is an exercise that requires meeting deadlines and following through on tasks. Maturity, accountability and self-motivation are crucial to success in any challenging endeavor, such as this Paramedic program. Please read the application instructions thoroughly and complete the required steps accordingly.

Ask questions, if need be, to ensure that you are considered a top candidate during the selection process.

Finally, please make certain to use personal insight when carefully reading the above lists of abilities and tasks to ensure that you can fully meet program and career expectations. If you have reservations, please talk with the Fire Science Program Manager Brian Baudek 630-942-2107 or baudekb@cod.edu or college career counselors.

If selected into Edward Hospital's Paramedic Education Program, the student will be responsible to: complete mandatory health requirements and drug screen, apply for a background check, purchase textbooks, pay a lab fee, and obtain uniforms for the program.

If the student successfully completes the Edward Hospital Paramedic Education Program, they will be eligible to test for National Registry of EMT's (NREMT) Certification, and upon successful completion, apply for State of Illinois Licensure. The student is responsible for all fees and scheduling associated with these processes.

OCCUPATIONAL RISKS DISCLOSURE

Occupational risks related to the Paramedic profession include infectious disease exposure, assault and battery, accidental injury, lifting injuries, sprains and strains, behavioral health issues, sleep disorders, hazardous materials exposure, hyperthermia and hypothermia, extreme stress, and worsening of chronic health issues. This is not meant to be an all-inclusive list.

May 12, 2025

Dear Applicant:

Thank you for your interest in the Edward Hospital Emergency Medical Services System's Paramedic Education Program. We would like to take this time to wish everyone the best of luck during this very competitive application process.

There is a great deal of information within this application packet. It is imperative that you take your time to fully read all of the directions. **All applications and required documents must be submitted to COD by 3:00 PM local time on August .22nd, 2025**

The second component of the application process is the mandatory written exam, which will be offered on:

Thursday, September 11th 2025 at Edward Hospital, 801 S Washington St, Naperville IL – Education Center, Auditorium (3rd floor.) Registration opens at 9:00 AM and the test begins promptly at 9:30 AM.

*In order to take the exam, **you will be required to pay a \$40 nonrefundable testing fee on the day of the exam. Payments must be in the form of Cash, Money Order or Certified Check (made payable to Edward Hospital EMS).***

The test is a 100-question general knowledge EMT exam. **In order to proceed with the application process, you must score an 80% or above on the written exam.**

The third component of the application process is an oral interview. Applicants will be assigned a date and time for their interviews. Shortly after the interview process, a decision will be made as to who is accepted into the program. Edward Hospital will only select up to 20 students for the 2026 program.

Again, everyone in the EMS office would like to wish you the best of luck. If you have any questions, please feel free to contact me at (630) 527-5258. Thanks!

Sincerely,

A handwritten signature in black ink, appearing to read 'Kyle Butler'.

PARAMEDIC APPLICATION STEPS:

It is the applicant's responsibility to ensure that all material listed below have been completed and received by 3 pm on August 22, 2025. Please retain a copy of this packet for your records.

- _____ 1. If you have not been admitted to College of DuPage, please complete the **non-refundable \$20** [College of DuPage General Admissions Application](#) online. **This application is for general admissions to College of DuPage only; it is not an application to the Public Services Fire Science Limited Enrollment Paramedic program.**
- _____ 2. To ensure that all of your eligible credits are evaluated towards the admission requirements, turn in **ALL** official Transcripts from institutions that you have attended. Immediately:
 - a. Submit your official transcript(s) to **College of DuPage, Office of Student Records**. ***If College of DuPage is the only institution you have attended, you do not need to request official transcripts.***
 - b. Verify receipt of your transcript(s). Log into myACCESS account, click on 'myACCESS for Students', select '**My Profile**'. The receipt status of your transcript will be listed under '**Transcript Institutions**'.

NOTE: If you have an international transcript from high school or college, it must first be evaluated. Please visit the [Office of Student Records](#) website for details.

- _____ 3. Complete the **non-refundable \$25** [Paramedic Program Limited Enrollment Application](#) online.
 - Log into [MyAccess](#) for Students
 - Near the bottom of the MyAccess Student Menu/Screen, locate Health Careers Applications
 - Then select Fire Science Applications
 - Agree to Statement of Understanding
 - Confirm Demographic Information
 - Select Paramedic Certificate for the program you are applying for
 - Term: Spring 2026
 - Select Edward Hospital as program
 - Be sure to complete process and submit payment

Once term is selected and application submitted, you may not change the term or program.

<i>If you do not have a credit card, you can purchase a prepaid credit card from your local retailer</i>

4. Scan ALL Documents and upload to the Edward Paramedic Application Submission link provided on the [Paramedic website](#) (no photos please) Listed below are the required documents needed to process the application. Your COD email address is also required to submit your application. **DO NOT** send links to shared drives such as Google Docs, and **DO NOT** submit photos. Please upload by the application deadline of **August 22, 2025 at 3 p.m.**

- Completed **Edward Application** found on pages 12 through 14 of this packet
- Completed FERPA release form found on page 15 of this packet. This document is **REQUIRED** to process your application and send your information to Edward Hospital.
- Copy of each of the following:
 - Active Illinois Department of Public Health (IDPH) EMT license (if pending, NREMT Certification Card is acceptable, not the NREMT Certificate). Applicant will be required to have an Active IDPH EMT License at time of offer of acceptance into the program, if applicable.
 - Current Healthcare Provider CPR Card
 - Health Insurance Card (with applicants name listed or proof of insurance document)
 - Valid Driver's License
 - Provide proof of military service, if applicable; honorable discharge paperwork required

DO NOT submit any transcripts to this office along with your application (see directions in step #2).

Recommendation Forms/Letters are not requested at this time. Those successfully completing the entrance exam will be given direction regarding any recommendation forms/letters.

Your name will be added to the applicant list and forwarded to Edward Hospital. Once testing is completed, Edward Hospital will provide an approved class list to COD. Only students on the approved list will be allowed to register. Approved students will receive an email regarding the registration process to their dupage.edu e-mail address.

NOTE: If you have been accepted into another Paramedic program prior to the application deadline, please e-mail emsrequirements@cod.edu to withdraw your application. You will not receive a refund for the \$25 paramedic program application fee and this request is asking that you be removed from further considered for any and all programs you have applied for.

*It is the responsibility of the applicant to verify that all items are submitted & completed. Should you have specific questions related to the above items, please contact the paramedic program director listed on page 7.

"All application documents delivered to the College of DuPage pertaining to a health sciences admissions file become the property of the College of DuPage and will not be returned to applicants. This includes but is not limited to transcripts, recommendation forms, clinical evaluation forms, or outside test reports."

Requests for admission are **not** automatically carried over to the following cycle. Applicants who were not accepted for the cycle in which they originally applied are asked to pay the \$25 non-refundable paramedic program application fee and submit any/all supporting documents as listed on the Admissions Checklist of the Application Packet requirements (if applicable).
