ADVOCATE GOOD SAMARITAN HOSPITAL

Beginning Fall 2025 through Summer 2026

Application deadline:

June 2, 2025, at 3 p.m.

Classes run September 2025 through August 2026

PLEASE MAINTAIN A PERSONAL COPY OF THIS PACKET FOR FUTURE REFERENCE

Note: Students are not accepted into this program until they have received an official acceptance letter from Good Samaritan Hospital EMSS. Completion of Health Requirements, CPR completion, criminal background check, and proof of insurance are independent activities to prepare for entrance into health programs at College of DuPage and/or participation in clinical sites within health programs. Funds paid to Occupational Health or to a personal health care provider, [CastleBranch.com](https://www.castlebranch.com), and/or insurance companies are not eligible for any sort of refund from College of DuPage if the course is not successfully completed.

PROGRAM OVERVIEW

Advocate Good Samaritan Hospital's Paramedic Program is nationally accredited by the Committee on Accreditation of Allied Health Education Programs (CAAHEP) and is partnered with the College of DuPage so that students completing the program can receive 36 hours of college credit. Students interested in pursuing a degree in paramedicine can work with the College of DuPage on additional coursework requirements. Good Samaritan's program is based upon the U.S. Department of Transportation's National Education Standards and is approved by the Illinois Department of Public Health (IDPH) to provide Paramedic education.

Since 1981, Advocate Good Samaritan Hospital has been designated as an EMS Resource Hospital by the State of Illinois. This designation specifies responsibilities related to the delivery of pre-hospital patient care, including the education of Paramedics. Advocate Good Samaritan Hospital's Paramedic Program begins in August and is approximately eleven months in length, including an internship. Registration is through the College of DuPage with didactic sessions, labs and clinical rotations being held at hospital facilities. Course administration is the sole responsibility of the Medical Director, Program Dean, and Program Director of Advocate Good Samaritan Hospital.

PROGRAM INFORMATION DISCLAIMER

This information packet is published for informational purposes; however, the information in this packet is not to be regarded as an irrevocable contract between the student and the program. The program reserves the right to change, at any time, without notice, requirements, fees and other charges, curriculum, course structure and content, and other such matters as may be within its control, notwithstanding any information set forth in the program information packet in accordance with COD policies and procedures.

PROGRAM & COURSE DESCRIPTION

The Paramedic Certificate Program is composed of three courses. The [certificate requirements](#) and [course descriptions](#) for the Paramedic program can be found in the Course Catalog under the Fire Science discipline.

ATTENDANCE

Class attendance is **mandatory**. Students are expected to arrive to class on time and not to leave early. Unforeseen circumstances can be discussed with the Program Director. Paramedic students can miss only a predetermined number of classes to remain in the program. Students must adhere to deadlines for the completion of clinical rotations and must meet cognitive, psychomotor, and affective domain requirements to remain in the program. Students will meet program faculty for Advocate Good Samaritan on entrance testing day and will receive a brief orientation at that time. Class (lecture/lab) is generally held on Mondays, Wednesdays, and Thursdays from approximately 9 to 1; clinical experiences are completed during off-class hours. The internship, which begins in June, is completed on a 24-hour shift basis.

TUITION/FEES/FINANCIAL AID

The Paramedic program consists of 36 semester hours of college credit at the [prevailing tuition rate](#). College of DuPage payment policy states payment will be due immediately following registration. If you are unable to pay the amount in full, you must sign up for the payment plan offered by the college. If you are expecting financial aid or other assistance, you may be able to sign up for a deferred payment plan. If you have questions regarding the payment plan or the payment policy, please contact the Cashier's office at (630) 942-2206. Advocate Good Samaritan Hospital and the College of DuPage reserve the right to drop students for non-payment of tuition.

Lab/supplies/book fees are payable to Advocate Good Samaritan EMSS upon acceptance into the program. Students also need a stethoscope, watch, calculator, computer, cell phone, email address, printing capability, appropriate clothing (uniforms), and transportation to and from class and clinical sites. Costs associated with accommodations are the responsibility of the student.

Financial Aid is available to any eligible student enrolled in the college for six or more eligible credits. Grants, loans, on-campus employment, veteran's grants, and scholarships are options available to help students meet their education expenses. If you are planning on applying for financial aid and have not already done so, please

[visit our website](#) or contact the Financial Aid office at (630) 942-2251. It can take 6-8 weeks for processing, so if you have not already completed your FAFSA form, you may need to sign up for the standard payment plan and be reimbursed once your financial aid is processed.

If you are a veteran and are planning to use veteran's benefits, please [visit our website](#) and [the United States Department of Veteran's Affairs](#).

If a company will be paying for your tuition or you have a chargeback agreement from another community college, please [download our Third Party Billing/Chargeback form](#) or speak with a representative at (630) 942-2377.

Students enrolled in the Paramedic program are considered full time students. To receive a letter documenting full-time status, visit the Records office (SRC 2015). A request form needs to be completed. There is a \$5 processing fee for this request, payable by cash or check. This request takes five to 10 days to process. For additional questions, call (630) 942-2431 or (630) 942-3022.

NON-DISCRIMINATION STATEMENT

The College of DuPage prohibits discrimination in its admissions, employment, and educational programs or activities based on race, color, sex, religion, creed, national origin, age, ancestry, marital status, sexual orientation, gender identity and expression, arrest record, military status or unfavorable military discharge, citizenship status, and physical or mental disability. The College will protect an individual's right to express their viewpoint or opinion, so long as it does not violate State or Federal law and is not detrimental to the College.

This Policy against discrimination applies throughout all College environments, whether on campus, at work assignments off campus, at college-sponsored social functions, or otherwise.

Procedures to facilitate the College's prohibition of discrimination will be promulgated consistent with the Policy. (Board Policy 20-5).

STUDENT E-MAIL POLICY

College of DuPage will send all official communications to students through official COD email (dupage.edu). Students cannot use a preferred personal email account. Students do have the option of forwarding college communications to a personal email account, if desired.

PROGRAM PREREQUISITES

Required: Illinois licensed Emergency Medical Technician (EMT) and acceptance into the Paramedic program. FIRE 2271 with a grade of B or better or equivalent. **Preferred/Not Required:** ANAT 1500 with a grade of C or better or equivalent, HLTHS 1110 with a grade of C or better, or equivalent and ENGLI 1101 with a grade of C or better, or equivalent or consent of instructor. (see statement on page #8).

CRIMINAL BACKGROUND CHECK INFORMATION

All health care workers and student health care workers are required to undergo a criminal background check to function in a clinical setting. A student with a positive background check containing disqualifying conditions as defined by Federal and State law will not be allowed to enter the clinical portion of the program. A student with a positive background check containing disqualifying conditions as defined by Illinois State Law ([225ILCS46/25](#)) and 77 Ill Adm. Code 955 Section [955.160](#) will not be allowed to enter the clinical portion of this program, thus preventing the student from obtaining mandated certification and/or licensure.

NOTE: You may have been convicted and not sent to jail. People are often fined or given probation or conditional discharge rather than jail time, but these are still considered convictions. If you are unsure as to whether an arrest resulted in a conviction, contact the county in which you were arrested and speak to a representative in the Circuit Clerk's office, State's Attorney's office, or your attorney.

Criminal background checks only need to be completed once accepted into the program. Instructions will be forwarded to eligible applicants after entrance testing has been completed.

MISCELLANEOUS INFORMATION

For additional information about any programs at COD, consult the college *Catalog*, the *Class Schedule*, or visit www.cod.edu. For questions specifically concerning the [Paramedic program](#), contact the Fire Science Program Manager at (630) 942-2107 or fire@cod.edu

POLICY FOR PROFESSIONAL CONDUCT AT CLINICAL SITES

Please visit the College of DuPage Fire Science Program Policy for Professional Conduct Policy at <https://www.cod.edu/academics/programs/fire/health-requirements.aspx>

HEALTH REQUIREMENTS

Once accepted into the Paramedic program, the student will be required to meet the health requirements (including mandatory immunizations) of the program prior to the first day of class. Flu immunization will be required in the fall when it becomes available. Failure or inability to follow health requirement procedures will disqualify the student from participation in the program. **Details to follow once accepted. Please do not complete these requirements until instructed to do so.** Students are responsible for all costs involved. Health insurance is required during the program and may be available through the college.

- Applies critical thinking skills; develops and executes care plans; reassess patient and situation.
- Reports verbally and in writing concerning observations about the patient; patient care at the scene and in route to facility; aids emergency staff as required.
- Maintains familiarity/competency with all specialized equipment.
- Replaces supplies, sends used supplies for sterilization, checks all equipment for future readiness, maintains ambulance in operable condition, ensures ambulance cleanliness and orderliness of equipment and supplies, decontaminates vehicle interior, determines vehicle readiness by checking oil, gasoline, water in battery and radiator and tire pressure.
- Performs drug calculations in emergency situations.
- Acts ethically with empathy, integrity, and compassion; maintains confidentiality.
- Behaves consistently in the nature of an adult learner and of a professional healthcare provider.

NOTES TO APPLICANTS:

Completion of the steps of the application process in an organized and complete manner is an example of one's ability to follow directions and to give attention to detail. These abilities are crucial in emergency care of the sick and injured.

In addition, the application process is an exercise that requires meeting deadlines and following through on tasks. Maturity, accountability, and self-motivation are crucial to success in any challenging endeavor, such as this Paramedic program. Please read the application instructions thoroughly and complete the required steps accordingly.

After reading this document in its entirety, ask questions, if necessary, to ensure that you are a strong candidate for the program.

Finally, please make certain to use personal insight when carefully reading the above lists of abilities and tasks to ensure that you can fully meet program and career expectations. If you have reservations, please talk with college career counselors.

If selected into the Advocate Good Samaritan Hospital Paramedic Program, the student will be responsible to complete mandatory health requirements, purchase textbooks, pay a lab fee, and obtain uniforms required for the program by published deadlines.

If the student successfully completes the Advocate Good Samaritan Hospital Paramedic Education Program, they will be eligible to test for National Registry of EMT's (NREMT) Certification, and upon successful completion, apply for State of Illinois Licensure. The student is responsible for all fees and scheduling associated with these processes.

OCCUPATIONAL RISKS DISCLOSURE

Occupational risks related to the Paramedic profession include infectious disease exposure, assault and battery, accidental injury, lifting injuries, sprains and strains, behavioral health issues, sleep disorders, hazardous materials exposure, hyperthermia and hypothermia, extreme stress, and worsening of chronic health issues. This is not meant to be an all-inclusive list.

Thank you for your interest in our Paramedic Program!

Applying to our Paramedic Program means that you are preparing to advance in the healthcare profession. The knowledge and skill which a Paramedic brings to an emergency can mean the difference between life and death. The attitude the Paramedic brings to an emergency is equally important. Paramedics represent their profession, their employers, and the entire health care system when they are caring for patients.

With over forty years of experience as an IDPH-approved EMS Resource Hospital, Advocate Good Samaritan Hospital has developed a faculty with the expertise needed to provide the cognitive, psychomotor, affective, and clinical experiences which are necessary to develop exceptional health care providers. Our graduates are capable of immediately entering the workforce in various healthcare environments. We routinely evaluate our students in the affective (behavioral) domain to develop health care practitioners who possess the qualities required of the Paramedic profession.

The Advocate Good Samaritan Paramedic Program is nationally accredited by CAAHEP and meets the requirements of the Illinois Department of Public Health and the U.S. Department of Transportation for Paramedic education. Our program is a rigorous one; a full year of focus and hard work is required for successful completion. We fully address the National EMS Education Standards. Candidates should be certain that the timing is right before accepting a seat in our program.

We are pleased to note that 100% of the graduates of our program have achieved success in challenging the national certification examination. Good Samaritan's graduates realize great success in finding employment in the healthcare arena. Many of our graduates also choose to continue their healthcare education (CCEMT-P, RN, PA, MD) post-graduation.

While attending Advocate Good Samaritan's Paramedic Program, students have access to clinical experiences within our EMS System's Associate Hospitals and EMS Provider Agencies. Affiliation with the College of DuPage provides students with college credit, educational tracts, and degree possibilities. Counseling and financial aid programs are also available through the College of DuPage.

We look forward to receiving your completed application packet and towards evaluating you as a candidate for our program. The firm deadline for receipt of completed applications is June 2, 2025, at 3 p.m. (CT).

Applicants that complete the application process will be invited to entrance testing in June. **Be sure to email me to schedule your testing date immediately after you submit your application! Testing will take place at various times on June 16, 2025 and June 24, 2025.**
