Companion to the 2005-2007 College of DuPage Catalog

General Requirements for All Associate Degrees

1. Complete at least 64 semester hours of credit in courses numbered 1000 or above for each degree.
2. Possess a minimum 2.0 (C) average in the combined grade point of all College of DuPage courses numbered 1000 and above and all courses accepted for transfer from other institutions.
3. Complete a minimum of 20 semester hours of applicable degree credit at College of DuPage with the final 10 hours of credit at the college.
4. Students who break enrollment for more than one full academic year are subject to the degree requirements as stated in the College of DuPage Catalog that is current at the time of re-entry. Students who are covered under a catalog prior to 2005-2007 should consult with an adviser.
5. Meet the "Constitution" requirement by presenting credit in Political Science 1101 or History 1130 earned at College of DuPage or earn a satisfactory score on a test on the Constitution of the United States and the Constitution of the State of Illinois, or present a transcript from an Illinois high school specifically stating that the Constitution requirement has been met. Note: Credit earned in Political Science 1101 or History 1130 through Credit by Demonstrated Competence program does not satisfy the "Constitution" requirement.
6. Earn no more than 4 semester credits from Physical Education activity courses.
7. Only one of the following may count for overall degree credit: Math 1428 or 1431.
8. Only one of the following may count for overall degree credit: Math 1635, Psychology 2280, or Sociology 2205.
9. Earn no more than 42 semester credits by demonstrated competence through the Advanced Placement Program (AP), the subject examinations of the College Level Examination Program (CLEP) and the College of DuPage Proficiency Through an Instructor Program.
10. File a Petition for a Degree at least one term before the anticipated completion date.
11. Satisfy all financial and other specific requirements.
12. Be in good standing at the time final credits for the degree are earned.

Additional Associate in Arts and Associate in Science Degree Requirements

1. A maximum of 10 semester credits in courses from the Technical/Occupational category may apply to the degree.
2. All General Education Core Curriculum courses must be taken with a letter grade, not satisfactory/fail grades.
3. No more than 6 semester hours of History in the Humanities and Social/Behavioral Sciences categories combined may apply toward General Education requirements. Additional credits in History may be earned as General Elective credit.
4. Earn no more than 16 semester credits in courses numbered 1800, 2800, 1840, 2840, 1820 or 2820.
5. Earn no more than 12 semester hours of Additional Coursework credit on a satisfactory/fail basis.
6. Earn Additional Coursework credits in courses that normally apply to a bachelor's degree as indicated on transfer guides.

AA/AS Additional Course Work

Students are strongly encouraged to consult with a faculty adviser and/or the transfer institution in selecting General Elective credit. No more than 10 semester hours of credit from the Technical/Occupational category will be applicable to the AA/AS degrees.

There is no guarantee that elective or Technical/Occupational courses will transfer as specific course equivalents to a baccalaureate-granting institution or other colleges.

Students who choose to use up to 10 credits of Technical/Occupational courses toward an AA/AS degree should verify the transferability of these courses with their transfer institution prior to enrollment.

Who Can I Go To For Help?

Faculty Advisers

All College of DuPage faculty are advisers. They will help you with scheduling classes, understanding your degree requirements, choosing courses which will transfer to your next school, planning a program of study, and learning about careers in your adviser's field.

There are several ways for you to choose an adviser. You can begin by talking to one of your current teachers, a former teacher, or by stopping by the Counseling and Advising Center, Student Resource Center (SRC), Room 2044, (630) 942-2259, for a faculty adviser referral. Once you are fairly certain about an area of study, a faculty adviser who teaches in that field can assist you. Appointments are made by personal arrangement with the faculty adviser.

General Advisers

Advisers are available to provide general advising assistance either by phone-in, (630) 942-2259, walk-in, SRC 2044 or through e-mail at generaladvising@cdnet.cod.edu. They provide general information about college programs, course selection, resources, policies and procedures. These advisers also provide general transfer planning, placement test interpretation, and assistance monitoring your progress toward degree completion.

Counselors

Counselors assist students who are undecided about educational or career plans, are in academic difficulty, and/or are having personal problems. Day and evening appointments with counselors are available. Students may stop by SRC 2044 or call (630) 942-2259 to make an appointment.

Who Can Tell Me if I Have Everything I Need in Order to Graduate?

Although you should receive course planning assistance from an adviser or counselor throughout your studies, the Records office makes the final check on whether you are ready to graduate.

You should petition for graduation at least one term before your expected completion so the Records office can notify you of any deficiencies early enough to plan the last term.

"Petition for Degree or Certificate" forms are available at the Records office, SRC 2015; the Information office, SRC 2046; or the Counseling and Advising Center, SRC 2044.

You may order a "Degree Audit," a computerized degree evaluation of your College of DuPage credit, from the Records office or run an on-line degree audit through the Records office website.
